Family of Advent

As we know we are in Dark times in the world today and sadly there are others in this world that mean to do harm. We see it on the news, read about it in the news papers and on social media. We can say well that will never happen to us, and that's what others may have said as well, but we know differently. Tragedy happens when we don't expect it. So if you had a chance to train with fellow Believers in Christ in a live situation training class would you take it? We have a chance to learn how to formulate a safety plan for Advent. If interested please see Jason or Ray with any questions.

Training provided by Alice Training Institute.

Please see the flyer hanging by office for more details.

New Look at Advent

Take a look around Advent. We have remodeled the kitchen by replacing some aging cabinets, counter tops, sink, garbage disposal and dish washer. The sanctuary had a thorough carpet cleaning and some wrinkles taken out. The hall furniture and rugs were also cleaned. Our Parish Hall has had a much needed floor scrubbing along with wax and buffing. I have an estimate on the entrance door carpets to be replaced. They are showing their age with plenty of traffic over the years. Our house will be ready to welcome guests and parishioners with a clean new look.

Thank you,
Ray Busony Jr. Warden
