Movie Coming Soon "Left Behind: Rise of the Antichrist"

The Book of Revelation speaks graphically, symbolically, alarmingly, pointedly, and unambiguously about the End Times. When we read Revelation, the terror of God's wrath can seem distant and other-worldly, hard to comprehend. Then, along comes this movie that shows one vision of what Rapture and post-Rapture life might be. "When millions of people suddenly vanished in the Rapture, the world was plunged into a state of emergency. Financial markets collapsed, governments toppled and a worldwide lockdown ensued. A conspiracy to take control of the global money supply led by a billionaire media magnate creates havoc – is he the Antichrist? Desperate for answers in a world where Biblical Truth has been censored and vilified, those left behind look for hope, answers, meaning, and direction."

[Left Behind: A Novel of the Earth's Last Days](#) by Tim LaHaye and Jerry B. Jenkins depicts the End Times. Five previous films preceded this sequel. Leads included Kirk Cameron and Nicolas Cage. Kevin Sorbo plays the lead role in this movie and directed it.
